Rules, Deadline, Judging...

RULES

1. The competition is open to all general circulation newspapers —daily or non daily, broadsheet or tabloid, printed or on line— and magazines published anywhere in the world, as well as syndicates and agencies providing graphics.
2. All entries must have been published between **January 1, 2011** and **December 31, 2011**.
3. You do not need to be a member of SND to enter.
4. Corporate or any professional association publications, advertising, publicity and self-promotion materials are eligible.
5. The competition is limited to **full pages as published**. No partial pages, photocopies, films, veloxes or proofs will be accepted, except for agency categories.
6. Do not mount the pages on cardboard, plastic or any other kind of medium.
7. Online graphics may only be entered in those categories specified as such. Entries may be submitted by e-mail to: **malofiej@snd-e.com** or by regular mail. Entries of on-line graphics should include a list with the title of the graphic, the date of publication, category and an active link to each graphic, along with the standard entry and payment forms. Should any special plug-in be necessary to view the graphic, a link for downloading that plugin must be indicated.
8. Each publication or author may submit any number of entries in any category, except when indicated. The same work can be submitted in different categories. In that case, as many originals as categories must be sent.
9. Graphics on single or double pages will be accepted as a single entry. If they are not consecutive, they will be considered multi-page entries, except portfolios and specials. Portfolios should be composed of a cross-section of five to ten different infographics which may only be entered in competition within the relevant categories. Those composed of more than ten graphics will be rejected.
10. Portfolios should be composed of a cross-section of five to ten different infographics. Those composed of more than ten will be rejected. Pages must be taped together along the edges, in the order in which they were published, to form one continuous sheet that can be spread out on a table.
11. Entries will be disqualified if they fail to follow the rules as outlined in the Call for Entries.

DEADLINE

Entries must be received by **February 10, 2012**. No late entries will be accepted.
